“Marsh Commercial have supported STR for several years now, and the team have worked hard to understand our business, working closely with us to respond to an ever changing landscape. Not only in the sectors in which we work but also in our industry as a whole. Their efforts have provided us a suite of insurance that is both robust, yet flexible. It enables us to grow with confidence knowing our provision not only allows for the unexpected, but plans for it!”

Emma Rees, Group Commercial Manager, STR Ltd.
